

Countries from around the world create a 'Future Society for Our Lives' together and solve global-scale issues through dialogue

Expo 2025 Osaka, Kansai, Japan

# Theme Weeks Calendar

## Eight themes based on global issues Over 250 programmes that seek solutions through dialogue

A different global issue is set as the theme for each week. Not only the Programme Organisers but also the Official Participants, the Japanese government and local governments, Co-Creation Project participants, Expo participants such as exhibiting companies, and local governments and industries from across Japan will gather to discuss solutions in a "dialogue programme" and "business exchange" for concrete action.
